# Bubbling Over With Ideas

Brainstorming (W.K.1-3; W.1.1-3)

Interesting topics make great Classbooks.

**Note to the teacher:** Have each student write a topic where indicated and add a relevant detail on each large bubble. For a variation, cover the word *topic* and then make copies of the page. Instruct each child to write a different topic on each bubble and keep the paper in a writing folder. When the student needs something to write about, he or she will have ideas ready to use!
