Write the main idea of your topic in the heart.

In each outer section, use facts to tell what's important to know about the topic.

A graphic organizer template shaped like a heart. The heart is in the center, with the words "Main Idea" written inside it. Four lines extend from the top, bottom, left, and right points of the heart to the corners of a large dashed rectangular box. Each of these four sections is labeled "Detail:" in the top-left corner of that section.
